- Paved driveway (vendor not responsible for future settlement)
- 10' x 10' precast patio
- 10' long pressure treated privacy fence

#### MISCELLANEOUS

- Premises cleaned at completion
- 2" x 6" wall construction
- All ducting to be cleaned upon completion
- At the sole discretion of the Vendor a "Builder's" name stone may be installed on the home
- All underground utilities are fully paid for by the developer, except if modified by the Purchaser
- Surveyor's Real Property Report is prepared for the Purchaser at closing
- Due to City or Hydro service locations, Purchaser will be notified if it becomes necessary to reverse the driveway location and floorplan, which the parties acknowledge the Vendor has the right to do
- The specifications in this Schedule are the specifications to which the home will be constructed. No specifications of any model home viewed by the Purchaser that differ from the specifications in this Schedule will be included in the construction of the home unless specifically agreed to, in writing, by the Vendor
- Air leakage less than 0.2 cfm 50/sq.ft. tested by ENERGY STAR® certified Third Party technician

All plans and specifications are subject to reasonable modification, as necessary, at the discretion of the Vendor.

NOTICE TO PURCHASERS: Due to increasing construction cost, the Vendor commits orders to its suppliers on the date of the Offer to Purchase. Therefore, in some cases the Vendor cannot alter, change, or add to the specifications, details or field notes. In order for any change to be implemented, all requests, after the offer becomes firm, must be in writing and accepted by the Vendor.

\* In accordance with standard building practice and the TARION rules, the Vendor warrants to make any necessary drywall repairs (due to nail pops and drywall cracks caused by settling) at the year-end, but the priming and painting of these repairs will be the full responsibility of the Purchaser, regardless of whether the Builder/Vendor or Purchaser painted the house initially.

All drawings are Artist's concepts and may vary slightly from the final product. E&OE Actual useable floor space may vary from stated area, and square footage has been calculated based on useable living space according to TARION rules, and does not include garage or basement areas. Drawings may show optional features which may not be included in the Base Price. Bulkheads and box outs may be required as chases for plumbing and mechanical. Garage man door location may vary subject to grade. In an ongoing review of our homeowner's needs, changes may have been incorporated into our 'New Home Features' and construction techniques.

The ENERGY STAR® mark is administered and promoted in Canada by Natural Resources Canada and is used with permission.
